ROURKES ARE NOW LEADING THE LOOP

While Franklin Johnson Holds Sious City to One Hit, Grizzlies Lick Topeka.

ERROR GIVES HOSTILE RUNS

If you will carefully lamp the we known standing of this Western loop yo perceive that perched at the to of the column are our own little Rourks lats. For yesterday while the obliging Grizzlies were harpooning the lowly Kawe, Mr. Franklin Johnson licked th apots off the Sloux, 3 to 3, and thus doe Omaha occupy the chosen position at th

Thirsting for revenge over the trimming administered by Thomas Blodgett opening day, Josh Clarke and his tribe of Indian essayed to scalp the Rourkes yesterds; by introducing Kirby White. But Mari; Krug's athletes were not to be scalpe and ere the sun set in the west another glorious victory had been annexed.

Mr. Johnson certainly held the Stewe City chaps in the hollow of his hand. One measly bingle, a scratch infield hit by Phelps, was the only mark in the hit It is true Franklin encountered utional difficulties by persistent passng of Stoux sluggers, but he managed to eliver the goods in the pinches.

DR. SACHS CHOSEN TO HEAD ALUMNI

Creighton Medical Men Hold Clinics, Business Meeting and Banquet During Day.

SENIOR CLASS IS RECEIVED

Over 200 alumni of the John A. Creighton Medical college were on hand at the annual business meeting of the alumni association at the Henshaw hotel, the headquarters of the medics, yesterday evening. The membership of the organization numbers about 600, 103 of whom are practicing in Omaha and vicinity.

Dr. Adolph Sachs of Omaha was selected president of the alumni for the succeeding year. Dr. T. T. Harris, chief police surgeon of this city, was elected vice president, while Dr. Rudolph R'z of this oity was re-elected secretary and treasurer. The two outgoing officers are Dr. T. J. Dwyer, president, and Dr. G. R. Dishong, vice president, Dr. Rix holding

Following the business meeting came the banquet in the rathekeller, the largest of its kind ever staged by the medics. The large room could not accommodate the overflow of medics, and the attendance even surpassed the anticipations of the committee. Dr. M. J. Ford acted as tonstmaster, while many were the fluent extemporaneous outbursts which came in response to Dr. Ford's introductions. Many more alumni are expected in town today to swell the attendance to an even greater figure.

Tuesday morning marked the opening of the four-day clinics scheduled by the clinic committee. Cases were cliniced as scheduled by Drs. A. Sachs, L. B. Bushman, H. L. Arnold and H. W. Wightman, while additional clinics introduced by Drs. Newell, Jones and Mary Strong. Following the clinics lunch was served to the entire slumni present in the dining rooms of the hospital.

Clinics this morning included cases by Drs. T. J. Dwyer, C. C. Allison and L. A. Dermody. A clinic by Dr. G. A. Young at 2'p. m Thursday at St. Jothe comminities in addition to the printed schedule.

At the banquet last night the entire membership of this year's senior class, forty-six in number, were admitted to the

alumni organization Tonisht the medics will attend the anmual pan-alumni banquet at the Com-mercial club, and tomorrow night the commencement exercises at the Brandels

Face Eruptions Have Deep Significance

Often They Indicate Impurities Deep in the Tissues.

The results shown by S. S. S. In clearing the skin reveal how searchingly and how deeply this famous blood purifier attacks blood troubles. Facial cruptions are more often significant of impaired nutrition resulting from faulty elimination of body wastes.

Most people realize this to be true. And yet it is a difficult matter to convince such people they should avoid those harmful drugs such as mercury, lodde of potash, arsenic and so on. S. S. gives just as good effect without the destructive results, because it is more searching. It goes deeply into the circulation wherever the blood flows, but it does not remain to cleg the system. And its effect is complete and thorough as indicated by blood tests. One of the strange things today is that so many people are wedded to the notion that mercury is the one antidote. It is not so. There is in S. S. S. a product of nature that is rated ene of the most potent principles known for the complete elimination of blood troubles.

Wherever you go there are people who know this to be true from their own experience, for it has been clearly shown there is one ingredient in S. S. S. as essential to health if the blood be impure as the nourishing elements of the grains, sugars and salts of our daily food. Get a bottle of S. S. S. today of any druggist, but insist upon S. S. S. accept no substitute. And if your case is peculiar or of long standing, write to the Medical Adviser. The Swift Specific Co., 101 Swift Bidg., Atlanta, Ga.
